## Father's Day History

Father's Day is a celebration inaugurated in the early twentieth century to complement Mother's Day in celebrating fatherhood and male parenting, and to honor and commemorate fathers and forefathers. Father's Day is celebrated on a variety of dates worldwide and typically involves gift-giving, and special dinners to fathers & family-oriented activities. It originated in Spokane, Washington. In a few Catholic countries, it is celebrated on the Feast of St. Joseph.

*In addition to Father's Day, International Men's Day is celebrated in many countries, most often on November 19.*

The first observance of Father's Day is believed to have been held on July 5 1908 in a church located in Fairmont, West Virginia, by Dr. Robert Webb of West Virginia at the Central United Methodist Church of Fairmont.

## Back-Scratching at Sea

Before I go on a cruise, I visit a local souvenir shop and put together a small gift bag. I include postcards and magnets, also regional specialties, such as Garret's Popcorn. When I get to my cabin, I give the present to my attendant, who's usually delighted—and rewards me with great service.
